FEE AGREEMENT

THIS FEE AGREEMENT (the "Fee Agreement") is made and entered into as of February 4, 2014 by and between FAIRFIELD COUNTY, SOUTH CAROLINA (the "County"), a body politic and corporate and a political subdivision of the State of South Carolina (the "State"), acting by and through the Fairfield County Council (the "County Council") as the governing body of the County, and BOMAG Americas, Inc. (the "Company").

RECITALS

1. Title 12, Chapter 44, Code of Laws of South Carolina, 1976, as amended (the "Act") authorizes the County (i) to induce industries to locate in the State; (ii) to encourage industries now located in the State to expand their investments and thus make use of and employ manpower, products, and other resources of the State; and (iii) to enter into a fee agreement with entities meeting the requirements of such Act, which identifies certain property of such entities as economic development property.

2. Pursuant to Section 12-44-40(1)(1) of the Act and based on representations made by the Company, the County finds that: (a) the Project (as defined herein) is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; (b) the Project gives rise to no pecuniary liability of the County or any incorporated municipality and to no charge against its general credit or taxing power; (c) the purposes to be accomplished by the Project are proper governmental and public purposes; and (d) the benefits of the Project are greater than the costs.

3. The County Council has evaluated the Project based on all relevant criteria that include, but are not limited to, the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment, and the anticipated costs and benefits to the County.

4. An Ordinance that the County Council adopted contemporaneously with the date of this Fee Agreement (the "Fee Ordinance") authorizes the County and the Company to enter into a Fee Agreement that classifies the Project as Economic Development Property under the Act and provides for the payment of fees in lieu of taxes, all as further described herein.

NOW, THEREFORE, FOR AND IN CONSIDERATION of the respective representations and agreements hereinafter contained, the parties hereto agree as follows:
